Sue Rapalje

Corporate Asset Manager

Property and Branch Facilities Manager

Sue has joined our team as our new Corporate Asset Manager. She recently moved here from Vermont bringing with her 9 years of commercial real estate experience. Sue's primary responsibilities at Lightle Beckner Robison, Inc. focus on statewide branch facilities management. This involves coordinating and overseeing repair and maintenance projects in an expedient manner with vendors and contractors, managing vendor relationships and approving appropriate invoices for all completed projects, contract renewals, collections and providing good customer service to clients and tenants by addressing their needs as outlined in their lease agreements and providing detailed monthly status reports and financial statements.
